THE BEACON

February 2022 Newsletter

FROM THE DESK OF PASTOR DOUG

KEEPING ON

I want to encourage everyone to continue to faithfully pray for three people in your circle of relationships, three people who do not know Jesus or three people whose relationship with Christ is not known to you. For the months of January and February, please pray for those people daily. Pray a blessing over them. Pray that God's Spirit would draw them toward Christ. Pray for someone to be able to speak to them about Jesus in a way that does not raise barriers.

We're doing this as a church for several reasons. First, we believe in the power of prayer. Next, we believe everybody needs to find life in Christ while there is time. And we care about those people God has placed in our lives.

Over the past several years our church has necessarily been focused on inward concerns. Covid has been hard on us on every front. We've stood strong and remained deeply committed to one another.

It's time, however, for us to rekindle an outward focus. We've weathered a bizarre couple of years, but we still have a mission from God to do more than hang in there. We're called to reach out and be sure the world hears the good news of Jesus.

Our January-February prayer initiative is a beginning, a first step, of moving our focus from an inner-directed one to an outer-directed one.

From the Desk of Pastor Doug (Continued)

If you made a commitment to regularly pray for three people or three families, keep praying. If you didn't make the commitment or didn't know about it, start now.

Together, let's get Harvest's attention back on the mission of Jesus.

BABY BOTTLES FOR ALTERNATIVES PREGNANCY CENTER

Sanctity of Human Life Sunday was last month, but we are still collecting money for Alternatives Pregnancy Center in Waterloo. Baby bottles are available at the back of the sanctuary. The idea is to fill the bottle with cash, change, or a check to support this important ministry. Bottles should be returned to the church on Sunday, February 13th.

Being pro-life isn't just about having an opinion, it is about doing something to help those struggling with unplanned pregnancies choose life.

CONGRATULATIONS, JULIE SCHWICKERATH!

We are proud of all the hard work you put towards the completion of nursing school.

update

As of this writing, the Committee has met 25 times since August 24th and spent more than 37 hours in meetings. Applications have been reopened and we continue to conduct interviews and check references. We are prayerfully continuing to engage in this process and thank you for your continued trust, support, patience and prayer. We are working diligently to try to discern who it is that God has called for this church.
