THE BEACON

August 2023 Newsletter

This past month has been exhausting, but also exhilarating. We were blessed to have Vacation Bible School as well as our 130th anniversary celebration. I feel this past month serves as a reminder that our children make an impact in the Kingdom's growth. Let us continue to focus our efforts and energy not just glorifying God, but glorifying God with all of God's children. Let that also remind us that there is no true season or age that removes us from serving in the ministry. To be in the ministry is to be serving.

Looking back on this past month, I realized that when we were asking for help I often heard, "well I'm not good at that, I could serve in another way as well as I've done that before." The truth is, we serve in any way and every way we possibly can, even if it's out of our comfort zone. Just because you've done it before, doesn't mean you can't do it again and maybe even teach somebody else who hasn't done it before. God could easily use that moment to not just grow us, but to reach out to another person through us.

Let the next month be a month that you challenge yourself to step out of your comfort zone. I intend on doing that in several different ways because I know that at times we become stagnant, we become comfortable. Let God use you to look for the opportunities. The only comfort we need comes from Him and Him alone. Some of the greatest comfort I have ever felt and been a part of is stepping out in faith and allowing God to use and mold me how He sees fit, not how I feel comfortable.

FOR EVEN THE SON OF MAN CAME NOT TO BE SERVED BUT TO SERVE, and TO GIVE HIS LIFE AS A RANSOM FOR MANY.
