Hello Harvest Family,

Jennifer here! Pastor Anthony thought it might be a good idea for me to write an article since I'm usually the person behind the newsletters. I thought I'd take the opportunity to give a little insight to the new changes happening at Harvest Church! I have been working as the Church Admin for 7 years this summer. I can easily say that this has been my favorite job, ever. Not only do I get to work with people I've considered family my whole life, but the work here is always new, fun, and rewarding.

As my work with Pastor Doug ended, I was worried I would have a hard time adjusting to a new boss. Doug was an amazing boss and friend, so seeing him retire brought some anxiety about the future. I am happy to report that the transition to having Pastor Anthony as my boss has been absolutely amazing. Not only did I get a new boss, I gained him as a friend, his two children have become my girls' friends and playmates, and his wife Erin has become a close friend and confidant as well. What an amazing blessing to have this family doing the work God called them to do in New Hampton.

If you were wondering, the Pastor Anthony you see at church, full of energy and passion about Jesus, is the same Anthony we see during the week at the office and doing day-to-day life with his family and in the community. He's in go-mode non stop to spread the Gospel. It has been inspiring for me to witness. He truly loves the Lord and every idea and motive he has is geared towards telling people about Jesus. Working in the office with Erin and Anthony has been a joy as well. I genuinely enjoy coming to work. Having our kids filling up the church with laughter and playing together has made bringing them to work a wonderful experience. Everyone wins.

CONTINUED...

I know new things have been happening and we are all sometimes hesitant to get onboard with the new and unknown, but trust me when I tell you, we are in good hands. As someone who sees the ins and outs “behind the scenes,” I can confidently say that I am beyond excited for what God is going to do at Harvest, with the shepherdship of Pastor Anthony and his family.

Let’s get to work, family!
