# THE BEACON

September 2023 Newsletter

Hello Church Family!

Erin here! To end the summer here at Harvest we had a fun Back to School Bash and got to pray over all of the New Hampton schools. It was amazing to see adults and children all praying together for the safety and wellbeing of all that will enter those doors this school year.

Lately, we have been focusing on the spiritual growth of the children in our congregation. It's so wonderful to see our children remembering and able to discuss the biblical principles that our volunteers are teaching them. GLORY TO GOD! If you have a child in these programs, I encourage you to talk with them following church on Sundays and discuss what they learned that day.

We also have a new class starting on Sunday mornings for our Middle Schoolers. They have chosen the name "Tribe Impact." They will be able to continue expanding their biblical knowledge with an age appropriate curriculum designed specifically for Middle Schoolers. If you feel led to become a volunteer for either the Harvest Kids or Tribe Impact programs please let us know and we will be glad to get you started helping out! Many blessings to you all this month!
